

Syllabus

SCHOOL OF HEALTH AND SOCIAL SCIENCES
SCI 302: Astronomy

5 Credits
Effective: Winter 2018/2019

Access to the Internet is required.
All written assignments must be in Microsoft-Word-compatible formats.
See the library's APA Style Guide tutorial for a list of resources that can help you use APA style.

[INSTRUCTOR MAY INSERT PERSONAL MESSAGE IF DESIRED]

COURSE DESCRIPTION

This course introduces students to the foundations of astronomy. Students gain an overview of our planetary system, including the solar system, the earth and its moon, and other planets. Stars, galaxies, and the evolution of the universe are also studied. Students evaluate theories and observations about the possibility of intelligent life elsewhere in the universe.

COURSE RESOURCES

Required and recommended resources to complete coursework and assignments are found on the course [Reading List](#). The reading list can be found under Course Information in Blackboard as well as from the library homepage.

Note: Required resources that must be purchased by the student are tagged “Purchase from a vendor of your choosing.” Required resources with a direct link, “Available through CityU Library”, are available at no cost to students.

Students in Canada will see required resources they need to purchase tagged “Purchase from the Canadian Bookstore.” Students outside the U.S. and Canada should contact their advisor or textbook coordinator for additional information.

COURSE OUTCOMES

In this course, learners:

- Summarize the relative motion and properties of celestial bodies
- Explain the life cycle of stellar structures
- Compare theories about the development of the universe

OVERVIEW OF COURSE GRADING

The grades earned for the course will be derived using City University of Seattle's decimal grading system, based on the following:

<i>Overview of Required Assignments</i>	<i>% of Final Grade</i>
Course activities	40%
The Solar System	15%
Jovian and Terrestrial Planets	15%
Stars and Star Clusters	15%
Reflection Paper	15%
TOTAL	100%

SPECIFICS OF COURSE ASSIGNMENTS

The instructor will provide grading rubrics with more detail as to how this assignment will be graded.

Course activities

Class participation through discussion activities is an integral part of this course. To provide structure for balanced participation and allow maximum benefit of enhanced discussion activities and learning, the following are required: 1) Post initial responses to discussion questions; 2) Post at least two thoughtful and topic-relevant comments or questions in response to classmates' posts on at least two different days during the school week; and 3) Respond to any questions the instructor or classmates have regarding the original post by the end of the school week.

<i>Components</i>	<i>% of Grade</i>
Quality of Responses	25%
Quantity of Responses	25%
Timeliness of Responses	25%
Style and Mechanics	25%
TOTAL	100%

The Solar System

Students describe the scientific developments that led to the modern view of the solar system, and identify the main contributions of Copernicus, Tycho, Galileo, and Kepler. This 3- to 4-page paper (not including a cover page, an abstract, and a references page) is formatted in APA style. A minimum of three academic references are used.

<i>Components</i>	<i>% of Grade</i>
Use of course concepts	30%
Organization and Coherence	30%
APA style (citations/reference list)	20%
APA Style (formatting)	10%
Style and Mechanics	10%
TOTAL	100%

Jovian and Terrestrial Planets

Students identify and discuss the similarities and differences between jovian and terrestrial planets and describe how a planet's composition and environment plays a critical role in determining its future. This 3- to 4-page paper (not including a cover page, an abstract, and a references page) is formatted in APA style. A minimum of three academic references are used.

<i>Components</i>	<i>% of Grade</i>
Use of course concepts	30%
Organization and Coherence	30%
APA style (citations/reference list)	20%
APA Style (formatting)	10%
Style and Mechanics	10%
TOTAL	100%

Stars and Star Clusters

Students summarize the life cycle of a star, including the modern theory of star formation and its connection with emission nebulae, and describe the properties of star clusters and how they form. This 3- to 4-page paper (not including a cover page, an abstract, and a references page) is formatted in APA style. A minimum of three academic references are used.

<i>Components</i>	<i>% of Grade</i>
Use of course concepts	30%
Organization and Coherence	30%
APA style (citations/reference list)	20%
APA Style (formatting)	10%
Style and Mechanics	10%
TOTAL	100%

Reflection Paper

Students compare and contrast theories about the development and fate of the universe, including life on earth and other planets. Students reflect on their own learning and share their views about these topics. This 3- to 4-page paper (not including a cover page, an abstract, and a references page) is formatted in APA style. A minimum of three academic references are used.

<i>Components</i>	<i>% of Grade</i>
Use of course concepts	30%
Organization and Coherence	30%
APA style (citations/reference list)	20%
APA Style (formatting)	10%
Style and Mechanics	10%
TOTAL	100%

COURSE POLICIES

Late Assignments

LATE ASSIGNMENT

Participation

PARTICIPATION

Professional Writing

Assignments require error-free writing that uses standard English conventions and logical flow of organization to address topics clearly, completely, and concisely. CityU requires the use of APA style.

UNIVERSITY POLICIES AND STUDENT SUPPORT SERVICES

You are responsible for understanding and adhering to all of City University of Seattle's academic policies. The most current versions of these policies can be found in the [University Catalog](#) that is linked from the CityU Web site.

Non-Discrimination & Prohibition of Sexual Misconduct

City University of Seattle adheres to all federal, state, and local civil rights laws prohibiting discrimination in employment and education. The University is committed to ensuring that the education environment is bounded by standards of mutual respect and safety and is free from discriminatory practices.

In the U.S., the University is required by Title IX of the Education Amendments of 1972 to ensure that all of its education programs and activities do not discriminate on the basis of sex/gender. Sex include sex, sex stereotypes, gender identity, gender expression, sexual orientation, and pregnancy or parenting status. Sexual harassment, sexual assault, dating and domestic violence, and stalking are forms of sex discrimination, which are prohibited under Title IX and by City University of Seattle policy. City University of Seattle also prohibits retaliation against any person opposing discrimination or participating in any discrimination investigation or complaint process internal or external to the institution. Questions regarding Title IX, including its application and/or concerns about noncompliance, should be directed to the Title IX Coordinator. For a complete copy of the policy or for more information, visit <https://my.cityu.edu/titleix> or contact the Title IX Coordinator.

In Canada, in compliance with the British Columbia Human Rights Code, the Alberta Human Rights Act, WorksafeBC, and the Workers' Compensation Board of Alberta, the University believes that its environment should at all times be supportive and respectful of the dignity and self-esteem of individuals. Discrimination, harassment and bullying conduct, whether through person to person behaviour or via electronic communications such as email or social media is not acceptable and will not be tolerated. As an educational institution, it is our responsibility to cultivate an environment of excellence, equity, mutual respect and to recognize the value and potential of every individual. The University will take all necessary steps to meet or exceed the requirements of the law to prevent discrimination, harassment and bullying. The Respectful Workplace Policy for the prevention of discrimination, harassment and bullying policy and procedure can be found at <https://www.cityu.edu/discover-cityu/about-cityu/> under the Policies section or at <https://www.cityuniversity.ca/about/>.

Religious Accommodations

City University of Seattle has a policy for accommodation of student absences or significant hardship due to reasons of faith or conscience, or for organized religious activities. The University's policy, including more information about how to request an accommodation, is available in the University Catalog and on the my.cityu.edu student portal. Accommodations must be requested by the 20% mark of this course (e.g. day 14 of a ten-week course, day 7 of a 5-week course) using the Religious Accommodations Request Form found on the student dashboard in the my.cityu.edu student portal.

Academic Integrity

Academic integrity in students requires the pursuit of scholarly activity that is free from fraud, deception and unauthorized collaboration with other individuals. Students are responsible for understanding CityU's policy on academic integrity and adhering to its standards in meeting all course requirements. A complete copy of this policy can be found in the University Catalog in the section titled [Academic Integrity Policy](#) under Student Rights & Responsibilities.

Attendance

Students taking courses in any format at the University are expected to be diligent in their studies and to attend class regularly. Regular class attendance is important in achieving learning outcomes in the course and may be a valid consideration in determining the final grade. For classes where a physical presence is required, a student has attended if they are present at any time during the class session. For online classes, a student has attended if they have posted or submitted an assignment. A complete copy of this policy can be found in the [University Catalog](#) in the section titled Attendance under Student Rights & Responsibilities.

Final Assignments Due Date

Final assignments for each class at CityU must be due on or before the final date of the course as indicated in the university's course information system. Due dates that extend beyond the final date of the course may negatively impact tuition funding for students.

SUPPORT SERVICES

Disability Services Accommodations Statement

Students with documented disability who wish to request academic accommodations are encouraged to contact Disability Support Services to discuss accommodation requests and eligibility requirements.

Please contact Disability Support Services at disability@cityu.edu or 206.2369.4752 or visit the [Disability Support Services](#) page in the my.cityu.edu portal. Confidentiality will be observed in all inquiries. Once approved, information about academic accommodations will be shared with your course instructors.

Library Services

CityU librarians are available to help students find the resources and information they need to succeed in this course. Contact a CityU librarian through the [Ask a Librarian](#) service, or access [library resources and services](#) online, 24 hours a day, seven days a week.

Smarthinking Tutoring CityU students have 24/7 access to free online tutoring offered through Smarthinking, including writing support, from certified tutors. Contact CityU's Student Support Center at mycityusupport@cityu.edu to request a username and password.
